INDEX

Spectis Moulders Inc. is a full service moulded millwork company. We offer an extensive line of over 5,500 catalogue items and pride ourselves on being able to custom mould any “new” item that may be needed. With in-house engineering, design, drafting, CNC machining, and hand carving capabilities, Spectis Moulders has tools in place to quickly create the most intricate of designs.

“ We have dealt with many manufacturers of polyurethane moulded products and Spectis is far and away the most reliable in terms of service, quality and price. Their willingness and ability to do custom profiles and complex projects makes them unique among their competition. Our customers demand only the best products and service in the marketplace and Spectis always delivers. ”
