

SPECTIS MOULDERS

Square Column Wraps

Spectis Moulders offers four different styles of PVC Box Column Wraps to beautify an existing structural post.

For each style, you can decide on the square flat cap and base or the profile cap and base as shown on the tapered columns below.

Spectis Box Column Wraps are made with 1/2" material that is weather and insect proof and is maintenance-free. They can be used as exterior or interior columns as they will not rot or twist. The recess in the Square and Tapered Recess columns is 1/2" deep.

You can also decide if you want the column wraps shipped out as L-shape split or, if you want more of a cost saving, order them as Flat Pack. The edges will be mitred on the Flat Pack Wrap for ease of installation on site.

Each L-shaped column includes 2 L-shaped column sections, L-shaped cap/base sections (your choice of flat or profile), neck trim and 1 tube of Spectis Adhesive ADH 100. The Flat Pack comes with 4 sides for the column, 4 pcs for the Cap, 4 pcs for the Base and adhesive.

Sizes for Square columns:

Column	W	O	C	B	Height
8	7 ⁷ / ₈ "	8 ⁷ / ₈ "	5"	10"	6', 8', 10', 12'
10	9 ⁷ / ₈ "	10 ⁷ / ₈ "	5"	10"	6', 8', 10', 12'
12	11 ⁷ / ₈ "	12 ⁷ / ₈ "	5"	10"	6', 8', 10', 12'

Sizes for Tapered columns:

Column	WB	OB	WT	OT	Height
12/8	11 ⁷ / ₈ "	15 ³ / ₈ "	7 ⁷ / ₈ "	11 ¹ / ₂ "	4', 5', 6', 8'
16/10	15 ⁷ / ₈ "	19 ³ / ₈ "	9 ⁷ / ₈ "	13 ¹ / ₂ "	4', 5', 6', 8'
24/16	23 ⁷ / ₈ "	27 ³ / ₈ "	15 ⁷ / ₈ "	27 ¹ / ₂ "	4', 5', 6', 8'

As with all Spectis products, custom sizes can be ordered on Box Column Wraps as well. Also, any column can be made as a structural column at an additional cost.
